"The trust and satisfaction of our customers is our greatest asset"

30 March 2021

Share Class A

EICO 1 is an **absolute return, multi-strategy fund**. Specialized in relative value strategies on Option, structured product and bonds that aim to beat the inflation rate in the most constant and strongest way possible, guaranteeing customers a real rate of growth of their assets.

The driver of our investment choices is our forecast portfolio minimum peak, it derives from our worst market and volatility scenario generated from our powerful IT system using historical, statistical and fundamental data analysis from the previous 20 years. By respecting this parameter, we work to always achieve the best possible performance.

Every day we imagine that from the day after starts a nightmare market, because only being prepared for the worst you can manage it.

This innovative approach allows us to tackle even the worst market scenarios, while guaranteeing our customers what was promised within the time horizon indicated.
